

Dear John,

This is the perfect time to say Thank You and to extend our sincere appreciation for your loyalty and business during the past year. Wishing you and your families a Happy Holiday Season and a successful and prosperous New Year!

Sincerely,

A handwritten signature in blue ink that reads 'Izabela Mijic'.

## Multi-Sensor Concept In Optical Surface Metrology

During 19th International Conference on Surface Metrology and Measurements in Paris we published an article about Pro.Surf+. In this paper, we discussed different optical techniques like confocal microscopy, focus variation and white light interferometry, and our approach with Po.Surf+.
