

Dear John,

This is the perfect time to say Thank You and to extend our sincere appreciation for your loyalty and business during the past year. Wishing you and your families a Happy Holiday Season and a successful and prosperous New Year!

Sincerely,

A handwritten signature in black ink that reads 'Izabela Mijic'.

PolyWave: Handle Large and Complex Data with Ease

PolyWave has only one focus: your data. This powerful vibration analysis software is already processing and computing data as it is being loaded. This feature alone helps give an inexperienced or first-time user the confidence of an expert and the skills to exclude poor data that can adversely affect subsequent work.

Demo Equipment Sale

Now is the time of the year that Polytec offers special purchase incentives on our demonstration and rental equipment. Polytec's demo units have been gently used and are covered by the same comprehensive warranty and support as new Polytec systems. All demo equipment are sold on a first-come-first-served basis, so if there is something you need, do not wait! Lease and rental options are also available.
